

SPECIES LIST: MEMBERS' FINDS 2024 Jan - June : ENGLISH NAMES (updated Apr 28th,'24)

Number of species to date: 95

Please note that the number of species listed below will be considerably fewer than the running total given above, due to many species – particularly the rarer finds – lacking a common English name. The alternative list of Latin names should, however, be complete.

green highlight: unusual to rare finds - 17 yellow highlight: new to Buckinghamshire – 15 blue highlight: new to UK -
